

Correction to: Inception of Perception—Augmented Reality in Virtual Reality: Prototyping Human–Machine Interfaces for Automated Driving

Michael A. Gerber, Mohammad Faramarzian, and Ronald Schroeter

Correction to:
Chapter “Inception of Perception—Augmented Reality in Virtual Reality: Prototyping Human–Machine Interfaces for Automated Driving” in: A. Riener et al. (eds.), *User Experience Design in the Era of Automated Driving*, Studies in Computational Intelligence 980,
https://doi.org/10.1007/978-3-030-77726-5_18

The original version of the book was inadvertently published without the chapter corresponding author and co author’s affiliations (Michael A. Gerber and Mohammad Faramarzian) in this Chapter “Inception of Perception—Augmented Reality in Virtual Reality: Prototyping Human–Machine Interfaces for Automated Driving” opening page and FM. This has been updated.

The erratum chapter has been updated with the change.

The updated version of this chapter can be found at
